# TRAVEL HOSTING & INDUSTRY PARTNERSHIPS

A collaboration introduction for travel suppliers, agency communities and event partners

# What ITP does

## ON-SITE GROUP HOSTING FOR TRAVEL ADVISORS

We support the traveler-facing experience while the hiring advisor retains the client relationship, trip ownership and brand.

Typical responsibilities include guest communication, itinerary coordination, meeting-point logistics, supplier liaison and on-the-ground issue escalation.

We do not replace the booking advisor or take ownership of their travelers.
